MITHRACON 2026

Dr.Bharath Raj R
Organizing Chairman
Mithracon - 2026

About MITHRACON 2026:

Mithracon 2026, the Fourth edition of the conference, focuses on **Peripheral Joint Instability**, bringing together current orthopaedic and physiotherapy knowledge with practical, clinically relevant approaches.

The conference will explore the **assessment, analysis, treatment, and rehabilitation of joint instability,** with emphasis on understanding the role of bones, ligaments, muscles, and capsules in maintaining optimal joint function.

Through focused learning and practical techniques, Mithracon 2026 aims to help clinicians develop **effective rehabilitation pathways, improve functional recovery, and support patients in returning to their daily, work, and sporting activities**.

Right Analysis. Right Technique. Right Rehabilitation. Better Outcomes.
